

How to Update Your DEERS Information using milConnect

Click "Sign In"

milConnect is a web application provided by the DMDC that offers sponsors, spouses, and their children (18 years and older) access to their personal information, health care eligibility, personnel records, and other information from a centralized location. In most cases sponsors can see benefit information for their dependents, such as eCorrespondence, and health care and dental program enrollments.

Breaking News:

If you received an email or postcard directing you to milConnect to retrieve correspondence, please select Sign In.

To retrieve enrollment cards and letters: Select the Read Correspondence option of the eCorrespondence menu tab. The correspondence displayed on the eCorrespondence page will be related to the person signed into milConnect. Sponsors can locate correspondence for family members by clicking on each individual's name from the list of family members. Enrollment cards can be located on the second page of each enrollment letter.

To view PCM information: Select the Medical/Dental/Pharmacy option of the Health Care menu tab. The data displayed on the Medical tab will be related to the person signed into milConnect. Sponsors can locate details for family members by clicking on each individual's name from the list of family members.

Some additional notes about accessing correspondence: 1) Under most circumstances, a sponsor can view correspondence and PCM information for himself/herself and for family members of any age. 2) Dependents age 18 and older can Sign In to milConnect with their own DS Logon and view their own correspondence. 3) A surviving spouse can view correspondence and PCM information for their minor children.

If you have received an email or postcard regarding "Medicare and TRICARE" or "Dependent Eligibility Changes based on Age," please access one of the following links for benefits and contact information. This information can also be found within the milConnect Q&A section or at <http://www.tricare.mil>:

- Medicare Under Age 65
- Medicare At or Over Age 65
- TRICARE Young Adult (age 21/23 age out)

The Patient Protection and Affordable Care Act: The Affordable Care Act requires you to maintain basic health care coverage—called minimum essential coverage. Beginning in 2014, if you do not have minimum essential coverage, you will need to pay a fee for each month you are not covered. The TRICARE program is considered minimum essential coverage. For more information, visit <http://www.tricare.mil/ACA>.
