

## DEPARTMENT OF THE AIR FORCE

MIKE O'CALLAGHAN FEDERAL MEDICAL CENTER  
NELLIS AIR FORCE BASE, NEVADA

UROLOGY CLINIC: (702) 653-3064

**Planned Date:** \_\_\_\_\_

**Procedure:** cystoscopy

**Staff:** B. Dudley, MD

**What to Expect:**

1. Pain should be minimal.
2. No restriction on activity.

**Before Your Procedure:**

1. OK to take regular medications.
2. OK to eat/drink before procedure.
3. Everyone must provide a urine sample prior to undergoing cystoscopy. We need to make sure there is no obvious infection before placing a camera into your bladder. Report to the Urology clinic at least 15 minutes prior to your scheduled cystoscopy in order to provide a urine sample.
4. For most patients, we will provide antibiotic pill or injection in the Urology clinic.
5. You can undergo cystoscopy during menses (on your period).
