FOREIGN NATIONAL CONSENT FORM**

I, _____, am a Foreign National. For purposes of this consent form, Foreign National means a person who is not a citizen of the United States, and has not achieved Resident Alien status. I acknowledge that failure to sign this consent form will result in denial of access to the installation.

Accordingly, I hereby consent to the following:

I give consent to be placed on a list of individuals being vetted and identity-proofed for the first time at Nellis Air Force Base.

I give consent to be identity proofed and vetted via government authoritative databases. This consists of providing sufficient information (e.g. federally authorized identification, credentials, or documents), as well as being evaluated by the vetting authority in order to determine whether or not I should be granted physical entry onto the installation.

I give **Consent to Blood, Breath or Urine Tests and Consent to Vehicle Impoundment.**

I give consent to provide digitized fingerprint minutia data when requested and consent to search.

I will not bring personal weapons or ammunition on the installation

The above consent is given in accordance with statutory and regulatory requirements.

NOTE: Foreign Nationals are CAC-eligible if sponsored by their government as part of an official visit or assigned to work on a DoD facility and/or require access to DoD networks both on site or remotely (remote access must be on an exception only basis for this category).
